COMPLIMENTARY MEMBERSHIP

Encore Learning instructors who teach a course with four or more sessions qualify for a complimentary one-year membership in Encore Learning. For the Spring 2026 term, the membership will begin January 1, 2026, and remain in effect through December 31, 2026. The membership remains in effect even if the course is cancelled for insufficient enrollment or other reasons.

As an Encore Learning member, you have access to a variety of special events, members-only tours, and several specialty clubs.

COURSE REGISTRATION

As a Spring 2026 instructor, you are entitled to take up to **three free courses** during the spring semester, as well as up to three free courses in the Fall 2026 term.

PARKING

For all in-person classes held at George Mason University's Arlington Campus, you will receive complimentary parking in the underground garage. The benefit of free parking is available to you for the course you are teaching, as well as for any course(s) in which you are registered. This benefit is valid for the Fall 2026 term as well.

AND, FUN....an intangible but most important benefit is that our instructors enjoy teaching classes with engaged and enthusiastic learners!
