

AN ENCORE LEARNING SPECIAL EVENT

Fighting for Women's Rights since 1916

Belmont-Paul Women's Equality National Monument

Thursday, 5/18/17

11:00 AM to Noon

This event is limited to 15 Encore Learning members who register for the tour.

This 200 year old house, tucked away behind the US Capitol, was once home to the Secretary of the Treasury before being burned down by the British in 1812 and then rebuilt. Home to Alice Paul, a prominent leader of the Suffrage movement, it was purchased by the National Women's Party in 1929. This Museum houses the single largest collection of Women's Suffrage memorabilia in the country, and our visit to the this National Monument will include a National Park Ranger guided tour of the property, as well as time to visit their gift shop.

A waitlist will be maintained and all registrants will be contacted by the event coordinator via phone or email at least one week prior to the event.
