WHEN GOING TO AN IN-PERSON CLASS

 - ▶ Check the weather*
Arrive on time, check off your attendance on the sheet, and find your preferred seat. Food and drink are allowed in most classrooms.
 - ▶ Classroom Etiquette
While in class, please be considerate of your instructors and your fellow members. Like most things in life, the Golden Rule applies. Should you have an issue in class, please contact your Class Aide or our staff.
 - ▶ Facilities Etiquette
As our classroom space is donated, all of us need to treat representatives of our host institutions with the Utmost courtesy. You can also *help ensure our future access to free classroom space* by keeping noise levels down in the hallways when entering/exiting class.
- * Inclement weather [guidelines](#).

VOLUNTEERING CONTINUED

Run a Club... or form a new one

Current clubs managed by volunteer coordinators: Breakfast • Bridge • Current Issues • Cinema • International Lunch • Kayak • Mindfulness • Nonfiction • Tech Hobbyist • Travel

Serve as Class Aide for one or more courses. Just let us know at the time of registration if you are interested, and you'll be contacted by a committee member. There is a training session so you'll know exactly what to do to help keep your class running smoothly.

VOLUNTEERING CONTINUED

Join the Board of Directors:

When you've volunteered for a bit and would like to make a bigger commitment you might want to join the Board of Directors. A Nominating Committee recruits and matches people to positions. In addition to our executive officers, all of the committee chairs or co-chairs serve on the Board.

Miscellaneous:

If you can only help out from time to time, we'll add you to our "general volunteers" list. This could be anything from helping set up an event to distributing catalogs.

Still not sure? Let us know your interests and we'll help you find a good fit.

HOW ELSE CAN I HELP?

Refer your friends!

If you enjoy Encore Learning, recommend us to a friend. You'll be doing both the friend and our organization a favor. We've found that personal recommendations are the best way to attract new members.

WHEN MAY I BRING FRIENDS?

FREE EVENTS, OPEN TO THE PUBLIC

WHEN MAY I BRING FRIENDS?

Course Previews:

Every spring and fall before the start of a new semester, we hold an event where each instructor may give a brief introduction to their upcoming course. We also have information available on our Clubs and Special Events, as well as provide light refreshments. It's a great way to introduce friends to our organization. Please note that course previews are being held virtually until further notice.

Library Lectures:

Each month, we co-sponsor a "Encore Learning Presents" lecture series with Arlington Public Library that is free and open to the public. It's another great way for friends to see Encore Learning in action.

Classroom Visitor Policy:

Prospective members only – someone who has never been an Encore Learning member – may attend a single class after obtaining approval from the office.
