

Encore Learning Classroom Aides Checklists Fall 2022

Pre-Course Aide Contact

- Call the other class aide to introduce yourself and to discuss the tasks outlined in your folder.
- Divvy up responsibilities according to your strengths. This is the most important feedback we have received from successful aides.
- Review current class schedule on website. Determine how to handle any dates either aide will not be in class.

Pre-Course Instructor Contact

- Instructors are anxious to hear from their class aide. As soon as possible, contact the instructor to explain your role in the course, and share contact information for you and your co-class aide.
- Confirm the course location, dates, and times as this info may have changed – always use the website as your guide. Tell the instructor how many students are currently enrolled in the course.
- Exchange all phone and email addresses for emergency delays.
- Ask whether you should introduce the instructor on the first day of class. They may prefer to self-introduce.
- Remind the instructor to bring their own cable connector if they are bringing a Mac laptop to teach.
- Remind the instructor that they should send class materials (class media) directly to staff at courses@encorelearning.net at least one week before it should be read. Class aides have no role in distributing class media.
- Determine when and how the instructor will take questions (as they arise, at end of class, directly or through the class aide?).

Contact with class members is via Staff only

- Staff sends a welcome email to all class members with instructions on verifying class info online.
- Staff notifies the entire class via email of any class media provided by the instructor and includes instructions for accessing it through the Member Account Manager.

First Class

- Arrive at least a half hour early to follow instructions for “All Classes” below. Station one aide in the hallway to direct the instructor and students into your classroom on the first day.
- Give a copy of the attendance list to the instructor.
- Introduce yourself and the co-class aide to the class. *See Guide, p. 7* for suggested points to cover.
- Mention any changes in the class schedule from that listed in the catalog. Remind all to check online for any schedule changes or inclement weather issues before coming to class each week.
- Introduce the instructor if that is the instructor’s wish.

Note: Try to cover these points quickly since class time is short

All Classes

- Set up A/V upon entering the room so that it can warm up.
- Lay out attendance sheet(s) with a pen; do head count each week and note on the top of the attendance sheet.
- Provide any information about pandemic related requirements as of the day of this session
- Remind class members to silence their cell phones and to sit in the back if using electronic devices, always being mindful of not disturbing other students.
- Remind class members to adhere to time constraints in their questions and comments, and to be respectful of other viewpoints.
- If the instructor has provided it, remind students to access Class Media on Member Account Manager.
- **At the end of class, follow A/V shutdown procedures provided in this folder.**
- Return room to order. Collect attendance sheet(s).

Last Class

- Remind class to look for email from courses@encorelearning.net with a link to the Course Evaluation.
- Invite the class to thank the instructor with a round of applause.
- Convey attendance sheet to the Encore Learning office as you deem best (US mail, drop-off at the office in Room 715, etc.) as soon as possible.
