Encore Learning instructors who teach a course with four or more sessions qualify for a complimentary one-year membership in Encore Learning. For the Fall 2024 term, the membership will begin July 1, 2024, and remain in effect through June 30, 2025. The membership remains in effect even if the course is cancelled for insufficient enrollment or other reasons.

As an Encore Learning member, you have access to a variety of special events, members-only tours, and several specialty clubs.

COURSE REGISTRATION

As a Fall 2024 instructor, you are entitled to take up to **three free courses** during the fall semester, as well as up to three free courses in the Spring 2025 term.

PARKING

For all in-person classes held at George Mason University's Arlington Campus, you will receive complimentary parking in the underground garage. The benefit of free parking is available to you for the course you are teaching, as well as for any course(s) in which you are registered. This benefit is valid for the Spring 2025 term as well.
